

# ST LOUIS REDBIRDS FALL BALL

## PROGRAM SPECIFICS

### 8u-7u TEAMS

- 1 Age Group Overview**  
We will have multiple teams at each age group depending on enrollment. Fall season will start mid/late August and run until mid October.
- 2 Tournaments, League, Practices**  
Depending on specific team and age group will dictate exact schedule. Generally teams will play 15-20 games with a combination of tournaments, league games, and weekly practices.
- 3 Team Rosters**  
12 player rosters will be dictated by signups for each age group. Just as summer ball, rosters will be divided by skill level and where we feel each individual player will get the most playing time.
- 4 Redbird Coaches**  
Two coaches will be assigned to each team. These will be our top rated coaches who have experience with your age group. Chances are a coach you had or will have in the Spring/Summer will be involved in coaching during the fall season.
